

Application No. 09/681,441
Amendment dated October 6, 2004
Reply to Office Action of July 7, 2004

REMARKS

In FIG. 1, reference numeral "20" has been included to specify the cab space. The same change has been made with respect to FIG. 2. FIG. 3 comprises a schematic view that provides support in the drawings for the telescoping element (16) described in the specification itself. No new matter has been introduced pursuant to these changes. The applicant respectfully submits that the drawings are now in suitable condition to support further examination and allowance.

Respectfully submitted,
